This accelerated program is a great way to introduce or increase your child's knowledge of all the aspects of martial arts. This holistic program blends the major Japanese, Korean, Chinese, and American martial arts with the national award winning Alert Kids Kidnap Prevention program. With 30 years experience teaching and empowering children, instructor Mathew Bayley, Master of the Martial Arts, is offering a well-rounded program that develops self-discipline, self-respect, and gives each child the tools and ability to keep themselves safe when you are not around. Mr. Bayley instructed at the Colorado School for the Deaf and Blind for 6 years where he received a commendation from the Commissioner of the Colorado Department of Education for his "outstanding skills in both motivating and educating with a high degree of effectiveness".
