

Pre Kamp Vail 2025 Policies and Procedures

MISSION STATEMENT: VRD YOUTH SERVICES PROVIDES ENGAGING EXPERIENCES FOR YOUNG PEOPLE THAT PROMOTE PHYSICAL ACTIVITY AND COGNITIVE DEVELOPMENT IN AN INCLUSIVE SETTING WHERE CHILDREN LEARN TO MAKE POSITIVE CHOICES.

Pre Kamp Vail is a CO state licensed day camp offered Monday, June 16 through Friday, August 8 (HOURS: 8:00am-5:00pm) for children ages **30 months to 5 years**.

Registration: Before a child attends Pre Kamp Vail, the Pre-registration Application must be complete including copies of the child's up-to-date immunization records, copy of birth certificate, and a doctor's letter of good health. Staff will review each application for completeness and assign registration access per qualifications.

- **\$62/day - Level 1 Access:** Eagle County Student (full-time resident) AND Eagle County workforce
- **\$83/day - Level 2 Access:** TOV property homeowner OR Eagle County workforce
- **\$104/day - All-Access:** Everyone

Reservations: Advanced reservation and payment is required. All reservation changes received **at least 14-days in advance** will be granted (if space allows).

No-Show: Due to the Camp's limited capacity, **no refund** is given to any camper who does not attend a day at camp for which they hold a reservation.

Cancellations before May 1: If you notify staff prior to May 1, you will receive a full refund.

Cancellations after May 1: If you notify Camp at least **14-days** prior to a cancelled day, you will receive a refund less a \$20 per day processing fee. If you are not going to attend camp, but cannot provide 14 days' notice, we would still appreciate notification at your earliest convenience, so we do not attempt to contact you when you no-show.

Waitlist: Staff use the waitlist to fill spaces that become available. You must be on this list to get into camp on a full capacity day. When space becomes available staff will add the child to camp for that day and send a notification email. Families will have 24hrs to accept the offer AND pay for this day. If it goes unpaid past 24hrs, staff will offer the space to the next child on the waitlist.

Late Children: Camp activities begin at 9am. If a child arrives after 9am, staff makes every attempt to incorporate the camper into daily activities – IF activities are available at your late arrival. If the staff has no notice of your child's late arrival, the space may be forfeited.

Arriving Unprepared: In the event a child arrives at camp unprepared for that day's activities, staff will contact the parents to bring the appropriate clothing or supplies needed. If parents are not available to supply these items, staff will make every attempt to make the child comfortable and able to participate appropriately by using the camp's extra supplies and/or lost and found items. This child may not be able to participate in that day's activities.

Program Closure: In the event that any unforeseen circumstances arise, and Pre Kamp Vail must close the program for any length of time, staff will notify participant families immediately and refund for the days Pre Kamp Vail must be closed.

Sick Policy: Your child must remain home from Pre Kamp Vail if s/he has diarrhea, fever, "flu-like" symptoms, severe coughing or wheezing, rash with fever, vomiting, chicken pox, head lice or scabies, Hepatitis A, impetigo, ringworm, roseola, strep throat, Measles, Mumps, Rubella, Pertussis. Your child must be symptom free (with fever controlled without medication) for 24 hours in order to attend Pre Kamp Vail. Please refer to the [CO DPHE Infectious Disease Guide](#). If your child is registered but cannot attend Pre Kamp Vail due to illness, **please notify camp by 8:00 a.m.** A day exchange or a refund less a \$10 processing fee is given upon receipt of a doctor's note. Staff will follow the same illness policy with further restrictions from food service as outlined in the staff Illness Policy provided by the CO DPHE. If your child becomes sick, unwell, or unsafe during Pre Kamp Vail program, the child will be removed, and parents will be called to pick up within 60 minutes.

Immunizations: Vail Recreation District recommends that children are fully immunized prior to the start of camp. Children who do not have completed immunization records must have a medical exemption, a non-medical exemption or written documentation of a plan for getting up to date on required immunizations. We share immunization information with Eagle County Public Health and Environment and the Colorado Immunization Information System.

What to Bring to Camp: Please send the following items in a backpack with your child to prepare them for the day: healthy snack, healthy lunch, water bottle, sunscreen, hat, jacket, comfortable shoes, rain gear, individual diapering/potty training needs. Pack the proper clothing for special activities (e.g. swimsuit and towel). Please label all belongings with your child's first and last name. **No spending money is necessary at Pre Kamp Vail.**

Toys from Home: Pre Kamp Vail encourages children to leave toys at home or in the car. Exceptions are made for one "lovey" needed for nap or toys that contribute to the daily curriculum. Speak to Pre Kamp Vail staff for other exceptions.

Personal Belongings: Camp staff are NOT responsible for the camper's personal belongings. However, staff will ask campers to keep all of their belongings in their backpack. Please send your child in appropriate clothing for the day's activities and weather. **Please label ALL of your child's belongings** with the child's first and last name.

Meals/Snack: No meals are served at Pre Kamp Vail. We provide a snack each afternoon. Please send your child to camp with a healthy sack lunch, morning snack and water bottle every day.

Guidance: Staff build relationships with children by engaging with them, recognizing, and encouraging positive behavior, and communicating and enforcing clear expectations and boundaries. Staff should regularly communicate with parents at pick up regarding the development and behavior of each child. Children are encouraged to express feelings and resolve conflicts with peers, as well as to self-regulate. Initial disciplinary issues are handled by logical consequences, typically beginning with removing the child from the activity or separating children from one another. Additional consequences are given when necessary. If a problem continues, a parent/guardian is notified by phone. If the problem persists, a conference is set up with the parent/guardian to discuss the standard of behavior required for participation. Pre Kamp Vail reserves the right to suspend or expel a child if the discipline problem warrants it or if a child is a danger to himself/herself, other children or staff. Pre Kamp Vail has an ongoing relationship with Early Childhood Partners and is willing to work with parents to provide individualized social and emotional intervention and/or mental health consultation.

Toileting/Toilet Training/Hand Washing: Pre Kamp Vail wishes to partner with families as children learn to use the bathroom. All participants are welcome in PKV programming regardless of whether or not they are potty trained. Each classroom is equipped with diaper changing facilities and all staff are trained in appropriate diaper changing techniques. Children arriving at Pre Kamp Vail are offered the opportunity to use the bathroom once their personal items are put away. Staff observe all children for visual cues of needing to use the bathroom. Staff have all children use the bathroom before departing for the daily adventure, before and after eating lunch, before and after nap/rest time, and any other time there's a bathroom available before going somewhere there isn't a bathroom. At drop off all children must wash their hands before engaging in activities. Staff and children wash their hands as needed throughout the day as well as after using the bathroom and before eating snacks and lunch.

Accessibility: Children with special physical, mental, or emotional requirements are considered for enrollment on an individual basis. Pre Kamp Vail makes reasonable efforts to meet the special needs of each child within the scope of Pre Kamp Vail's staff abilities and resources. Pre Kamp Vail does not have staff or individuals with expertise to accommodate all special needs or situations; rather, each situation will be individually analyzed to determine whether an accommodation is reasonable based on the circumstances or whether it presents an undue hardship. Pre Kamp Vail expectations of children 30mo-5yr are that they can walk independently for 20min, verbally express their needs, washing hands, eat their lunch/snack, drink their water, and recognize their adult leaders and stay with the group. If a child requires consideration of a reasonable accommodation, Pre Kamp Vail expects that the child's guardian/parent will notify appropriate staff, provide necessary information and documentation, including information and documentation Pre Kamp Vail may request to evaluate the situation, and cooperate as needed so that Pre Kamp Vail can determine how to proceed.
