

2023 Team Rules

- Each team must have a captain who serves as the spokesperson with race management. This person will assume the role as the sole communicator for the team with the VRD.
- New for 2023, we will track team points for both the Bloch & Chapleau Town MTB Series and the Youth Series. Adult riders cannot earn points in the youth series and vice versa. See categories below.
- Teams will have a roster with a maximum of 25 riders. There is no minimum number of riders on a team.
- Team rosters can be changed and riders can be added up to the 25-person limit until the fourth race. After the 4th race, your roster will be frozen. All changes must be made via email or an official change form.
- **All team riders must be registered as a series rider and can only be on one team roster. Individual race riders cannot accrue points for a team.**
- Only 15 riders will score points at each race. Team captains do not need to submit a race day roster. The top 15 point scorers from the team at each race will automatically receive points for their team.
- In the event of a tie for overall team series points, the team with the most first place finishes for all seven races wins.
- Each person on the team must register online or fill out a race entry form and full payment for each person must accompany the entries. Team Rosters and Entry Forms must be received by May 29, 2023. After that date, a \$75 team late fee will be added to the team fee.
- All teams who submit a complete team roster, payment and all registrations in an organized manner before May 29 will receive 15 bonus points towards their overall team points.
- New teams can enter at any time during the season. All late fees will apply to time of entry.
- **NO POOR SPORTSMANSHIP OR UNSAFE RIDING WILL BE TOLERATED.** VRD reserves the right to disqualify riders on these grounds.
