
 Start/Finish

 Racer Parking

A. Aid Station

After an ascent through aspen groves on the appropriately named Aspen Glade trail, runners will traverse across Beaver Creek Mountain on Allie's Way single track and descend down the hillside and into the lawn of the Beaver Creek Chophouse. The 5K aid station will be available just before the 5K/10K split at mile 2.1. Please park in the Villa Montane or Ford Hall parking structures in Beaver Creek.
